Noted, thanks.

We intend to submit to you progressive data packages for each excavation areas, with volumes excavated and confirmation samples data to get your concurrence that the PCBs have been removed. The first dataset will probably be ready about 2 weeks from now.

Confirming receipt of this email and attachment.

Please go ahead with the cleanup and removal, subject to the requirements of the conditional approval that EPA issued on November 19, 2013.

Please let me know if you need anything else, thanks.
